I'm sorry, Deberto.

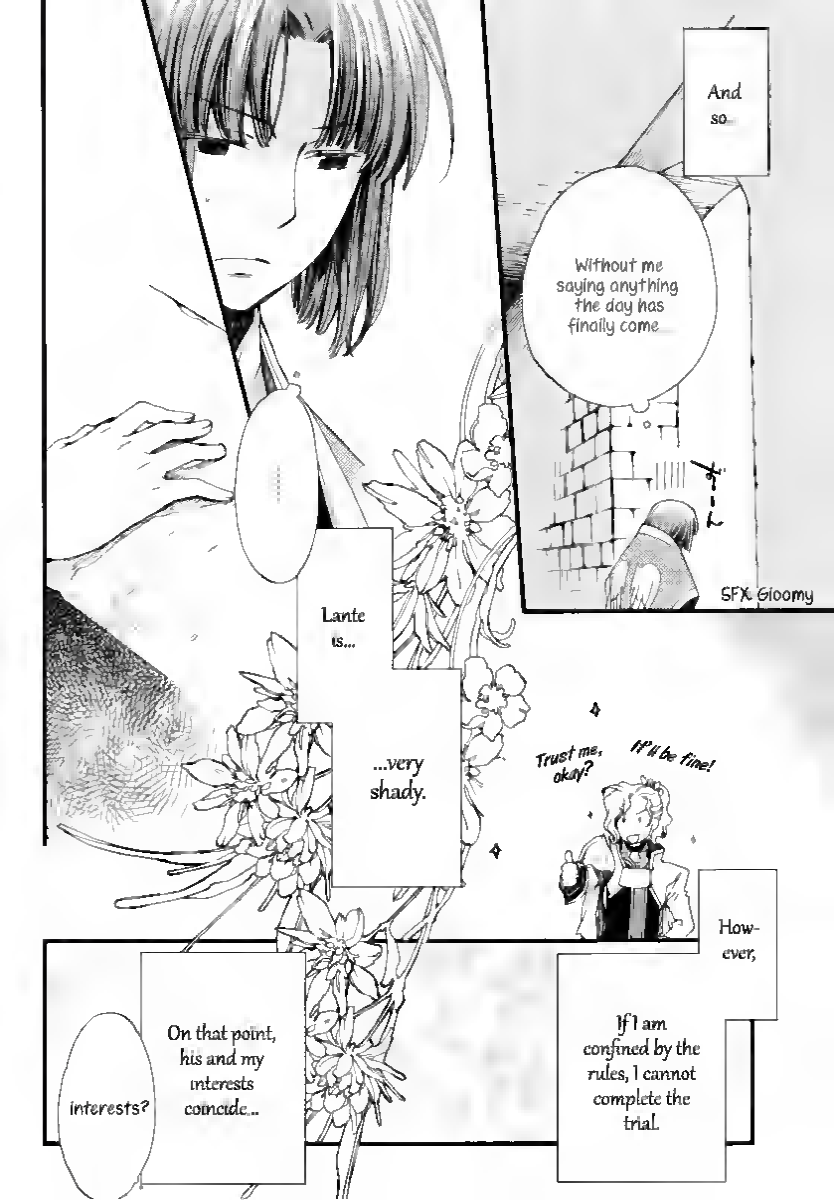
I've decided to go see the festival with the knights this year.

I know this act is against the rules, but for the sake of the Aruosumente, it is necessary.

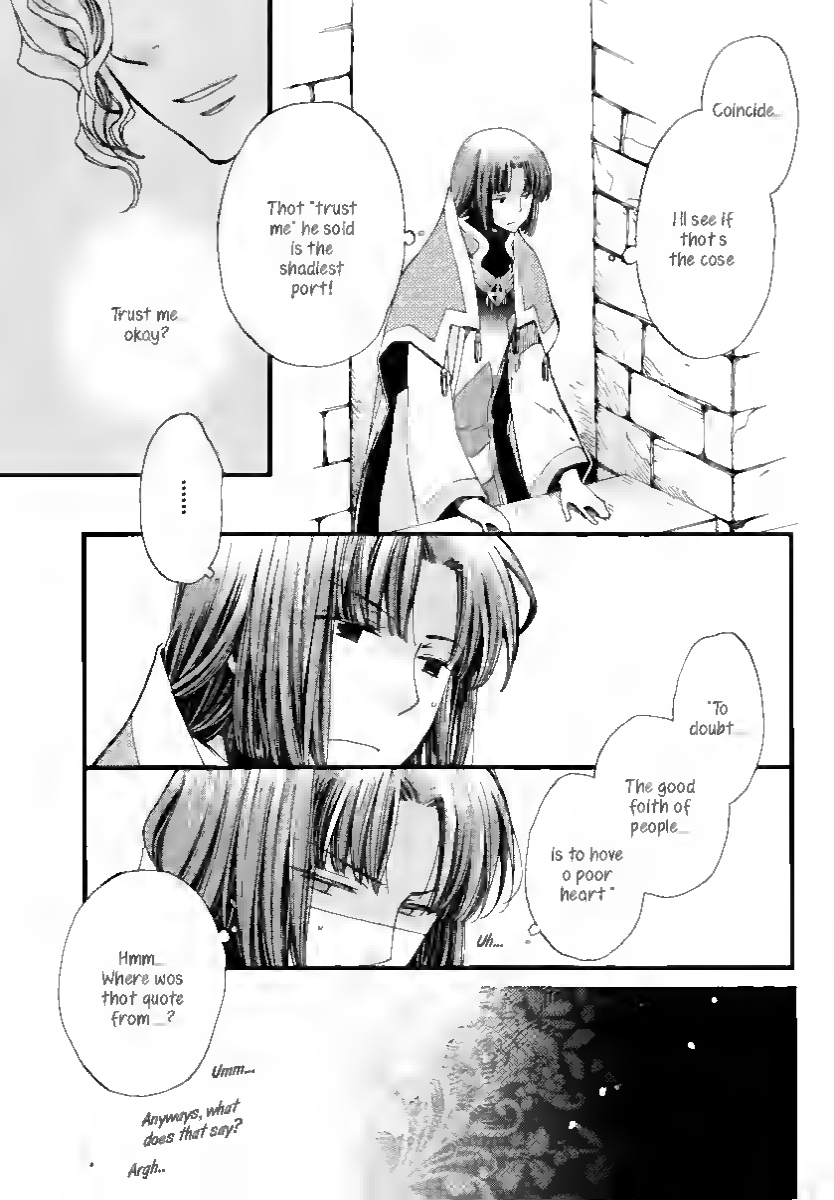
What is it?
Is there something you want to tell me?
Well...
Actually...
About the festival...
I'm truly sorry, but this year...
Festival?
Oh that
You don't need to worry about it.
Eh?
You're referring to
The discussion about how next year we should do something different right?
That?!
Na
That
That is...
I will not attend the Gala.
Like every year it doesn't really matter to me...
Na
About that!

Ha ha ha!
Isn't peace an amazing thing?!
If I can watch the fireworks with you, then I'll be satisfied.
Right?!
It's impossible.
.....
Yes...
I can't tell him.

第10話



And so...
Without me saying anything the day has finally come...
SFX: Gloomy
Lante is...
...very shady.
Trust me, okay?
It'll be fine!
However,
If I am confined by the rules, I cannot complete the trial.
On that point, his and my interests coincide...
interests?



Coincide...
I'll see if that's the case
That "trust me" he said is the shadiest part!
Trust me, okay?
.....
"To doubt... The good faith of people... is to have a poor heart."
Uh...
Hmm... Where was that quote from...?
Umm...
Anyways, what does that say?
Argh..

Commander Lante!
Hm?
munch
munch
You're eating something again!!
Again?!
Please do your job without touring all the food stalls!!
We've gathered the sword fighting contestants!
If the commander doesn't give the order for departure, we can't begin!
Ah
The order right. Yes, yes

That job is a piece of cake!!
So easy you can do it after eating a snack...
Here I come!
Oh, by the way...
Have you seen Angel?
The Oracle-sama?
No I haven't seen him, but...
Wouldn't he be in the castle today?
Yeah...
I guess...
I tried to invite him for this year's festival but...
Eh?!
YOU CAN'T DO THAT!!
THAT'S AGAINST THE RULES!
Really?
What do you mean by "Really?"!!

Regulations are regulations!
You can't just break them!!
And if the Senate knew that it was the commander that invited him and made him break the rules
.....
Him?
Eh?

Angel!
You really came?!
I came to see the state of affairs for a little bit
I'll return saan.
Saan you say...
I wasn't able to convey anything to Deberto.
I ended up promising him that we'll meet tonight as usual.
And before that I have preparations to do and several things that require my attention
So if I don't return saan, the time will
It's alright!

If it's Angel, those documents...
Like a robot!!
Will only take a few minutes!!
Ah!
WITH THAT SAID, LET'S GO GIVE THE ANNOUNCEMENT FOR RITA・RINA!!
Dash!
Let's go!
GRAB
Com-mander...
The rules...
Sigh...
SFX: Clang

THAT'S IT!
YES!!
GET HIM!!
ALRIGHT! IT'S TIME!!!
YAY!
WOOHO!
This year, the level of the Block Knights fighters is high
Did someone good enter?
Well around half a year ago there was a person who wanted to exchange blows with the Nero Tararudo...
That's certainly a daring move...
And?

It ended with him having his bones fractured in three different places.
That's good.
Wah, that sounds painful.
This way other soldiers will learn from his example!
That's what I think too.
WINNER—
He looks like a good leader.
Tell me his name later.
And then—
Lante! Good timing!
Deliver the sake to the Black Knights dressing room.
Yes, understood.
I'll go right away.

...WHA?!
WHOA.
REGUNA?!
WHY, HERE... WHA...
Uhm
A series of events
That is...
WHAT SERIES OF EVENTS...?!
Really how did this
Ah
It was me
I brought him

Lante
You...
Isn't it good?
It's the long-awaited festival and only Angel is always absent. It's so pitiful.
I don't really think it's pitiful...
Of the council members, only Angel is left out. It's so mean!!
That's true, but
So because of that you...
Is that... it...
Just to see the festival. That's not intervening in the military affairs, right?
If this kind of thing is to be considered intervention, then the entire population is interfering in the military.
You're all right with this?
.....

If you ask me whether it is good or bad...
No matter how I think about it it's not good
If that's the case then...
But...
I think that it's that bad either...
In my case...
Because I don't know much about the outside...
And of course things about His Majesty's research as well.
If I could,
stay a little more, I would also...

WINNER!
THE DEPUTY COMMANDER OF THE WHITE KNIGHTS,
RITA RINA!!!
TAKING OUT FIVE PEOPLE AT ONCE!!
She's really strong after all
But this year the Black Knights have earned a lot of points up until now
So we won't know until the end.

It's like this every year.
With this part of the sword
She takes them down with a single strake
No matter how many paints the Black Knights have accumulated, she fights an
AND THAT'S IT!
THROUGH HER FOOT-WORK...
6 PEOPLE HAVE FALLEN!!
That was without the sword!
Oh— As expected—

The armar...
It's partially fallen off...
Is that really alright??
Well it's prabably fine
Ha ha ha!
All of the knights train so they're really sturdy!
If I took at you, I can't tell at all...
Ah, is that so?
That's because I don't really train.
SFX. Cheer SFX. Thud
Oh...
7 people down! Amazing!
So strong...
???

Is it okay?
That s
It's okay!
Lante!
Come here o sec
Sure!
.....
Come to think of it
Paruteen!

Yes
What is it?
When is the match in which the Nero Tararuda appears?
Isn't he in one of the sward fights?
The Nera Tararuda?
He doesn't appear in any of the matches
What?
Even he has been injured?
He hasn't been injured.
It was decided that he won't participate.
Now that you mention it Lante also doesn't appear
Is there a rule that the knights commanders can't participate?
There is no such rule.

Who-??
"Whenever o commonder gets beoten block ond blue by novices, it's embarrassing so pleose don't fight" ...Thot sort of thing
Lante doesn't oppeor becouse he took the odvice his knights gove him
It's understand-oble thot you would think like thot.
And yet he's still o commonder
He wosn't joking!!
That's because I don't really train!!
Don't train Don't train Don't train
Echo
However... If he's reolly thot weok
One con only hope os much
One wants thot to be true.
It seems so...
It's becouse he's slocking off
Some people think thot ..

Then
In Dante's case?
In his case, it's the complete opposite
He can't hold back. Dozens of casualties resulted from the mock battle before the matches.
Since then, on this day every year, he is ordered to stay home.
Casualties
It's like the story from ten years ago.
Because the Nera Tararuda is "The Chariot"
If it gets loose,
EVEN THE DRIVER HIMSELF CANNOT STOP IT.
